

BAGS OF HOPE

March 1 - 31

The Spartanburg County Public Libraries plan to deliver bags of hope to those in need around us. During the month of March, pick up some of the items shown (individually packaged/single serve food items like granola bars, cups of soup, crackers, mini toiletries, ziploc bags, utensils) and drop off your contribution at your local library branch. These bags will be distributed to local partner organizations in our area to be given to those in need in our community.

For more information contact your local Spartanburg County Public Libraries location or visit our website www.spartanburglibraries.org.

Headquarters Library – 864-596-3500
