Meet Your Librarian and Some Furry Friends

The Pacolet Library invites families to join us for Meet the Librarian Night: Paws to Read! Stop by the library on Tuesday, August 4, from 4:00 p.m. to 6:00 p.m. to explore everything your public library has to offer. Whether you're coming from Meet the Teacher Night or just looking for a fun family outing, everyone is welcome! Families can tour the library, sign up for a library card, and learn about programs and resources that support learning all year long. Children will also have a special opportunity to read aloud to certified therapy dogs as part of our Pages and Paws program. Reading to therapy dogs provides a supportive, judgment-free environment that helps build confidence and foster a love of reading. We can't wait to welcome you!

Preserve Your History: Community Scan Day - Tuesday, August 11 at 2:00 p.m.

Do you have treasured photographs, letters, postcards, or family documents you'd like to preserve? Join us for Community Scan Day and learn how to digitize your personal keepsakes. Library staff will help participants scan and save important memories, making them easier to share with family and preserve for future generations.

Teen Spotlight: Edge Up Your Read! - Thursday, August 20 at 4:00 p.m.

Teens are invited to transform an ordinary book into a work of art! Use paint and decorative stencils to create beautiful designs on the edges of your book's pages. All supplies are provided, and no experience is necessary.
