Join us for an informative presentation on Alzheimer's disease and dementia. Learn about warning signs, communication strategies, caregiving considerations, and resources available to individuals and families facing a diagnosis. Whether you are caring for a loved one or simply want to learn more, this program offers valuable information and support.

National Family Literacy Month

November is National Family Literacy Month, a perfect reminder to build reading into your family's daily routine. Stop by the library to discover books, audiobooks, and resources for all ages. Reading together as a family helps strengthen literacy skills, encourages a love of learning, and creates lasting memories.

From the Pacolet Library Team

As we enter the season of gratitude, we want to thank our patrons, volunteers, and community partners for making Pacolet Library a welcoming place to learn, connect, and grow. We look forward to seeing you at the library this month!
