

Join the Junior Volunteer Team this summer!

Want to learn what it's like to work in a library?
Students in grades 6-12 can get experience:

- helping with children's events
- straightening shelves
- processing new books
- and more!

Junior Volunteers who work at least 5 hours
over the summer will earn a letter of recom-
mendation and a thank you gift from the
library!

Follow [@spartanburglibraries](https://www.instagram.com/spartanburglibraries)
for library info and updates!
